

Description :

2 Beam Crossline laser that provides Vertical & Horizontal lines which operate simultaneously for inspection & execution of countless level & plumb applications such as layout , marking & transfer of levels & plumb in Building Construction, construction of steel/iron based structures, precision engineering & fabrication.

Features :

- This unit produces **2 very visible laser lines** which make it outstanding for the alignment.
- **Automatic Level:** automatic alignment by virtue of a magnetic pendulum system.
- **Additional plumb laser** at the bottom.
- **Individually switchable** laser lines.
- **Out-Of-Level:** is indicated by optical signals when the unit is outside its self-leveling range.
- **RX-Ready:** The integrated hand receiver mode detects the laser lines with the optional laser receiver RX 51 up to a max. of 50 m radius – ideal for all interior and exterior applications.
- The pivoted housing can be turned with a **vernier adjustment mechanism** to permit exact positioning of laser lines.
- **Illuminated spirit level and height-adjustable feet** for preliminary adjustment of the unit.
- The **removable rubber caps** on the adjustable feet prevent the device slipping on smooth surfaces.
- An **external Quick-Charger** can be used to recharge the high-performance batteries outside the instrument.
- **Transport lock:** A pendulum lock protects unit during transport.
- **Simple, uniform operating techniques.**

Specifications :

| | |
|-----------------------|---|
| Accuracy | 2mm/10m |
| Self Leveling Range | +/-3° |
| Leveling | Automatic |
| Laser Reception Range | Max. 50m radius |
| Laser Wavelength | 635nm |
| Laser | Line Lasers, class 2M, <5mW Plumb Laser, class 2, <1mW |
| Power Supply | Rechargeable Batteries |
| Size (in mm) | 110 x 185 x 115 |
| Weight | 1.2kg |

Stable metal base with vernier adjustment Illuminated spirit level for preliminary adjustment High quality external Quick-Charger

Item Code : ST- ACL2CRX EAN : 8904048100109

Product Supply Includes: ST-ACL2CRX Unit, Laser Enhancement Glasses, Tripod Adapter, 4 X "AA" Rechargeable Batteries, Battery Charger & Carry Case.
